All forward-looking statements involve risks, uncertainties and assumptions that may cause actual results to differ materially from those expressed or implied in the forward-looking statements. Past dividends provide no assurance as to future dividends. The payment and amount of future dividends could vary significantly from past amounts due to a number of risks and uncertainties. Risks and uncertainties include: (1) the effect of economic conditions in the industries and markets in which Otis and its businesses operate in the U.S. and globally and any changes therein, including financial market conditions, fluctuations in commodity prices, interest rates and foreign currency exchange rates, levels of end market demand in construction, the impact of weather conditions, pandemic health issues (including COVID-19 and its effects, among other things, on global supply, demand, and distribution disruptions as the outbreak continues and results in an increasingly prolonged period of travel, commercial and/or other similar restrictions and limitations) and the financial condition of Otis' customers and suppliers; (2) the expected benefits of Otis' separation from United Technologies Corporation and timing thereof; (3) risks associated with indebtedness; (4) the risk that dis-synergy costs, costs of restructuring transactions and other costs incurred in connection with the separation will exceed Otis' estimates; (5) the impact of the separation on Otis' businesses, resources, systems, procedures and controls, diversion of management's attention and the impact on relationships with customers, suppliers, employees and other business counterparties; (6) challenges in the development and production of new products and services; and (7) the effect of changes in laws and regulations and political conditions in countries in which we operate and other factors beyond our control. The above list of factors is not exhaustive or necessarily in order of importance. For additional information on identifying factors that may cause actual results to vary from those stated in forward-looking statements, see Otis' registration statement on Form 10 and the reports of Otis on Forms 10-K, 10-Q and 8-K filed with or furnished to the SEC from time to time.
