Explanation of Responses:

- Restricted stock units convert into common stock on a one-for-one basis.
- As a result of the spin-off of the issuer by our former parent, certain Otis insiders hold Otis shares in our former parent's 401(k) plan. This plan has advised participants that starting approximately one-year after the spin-off it will mandatorily start to sell the Otis shares held in it.
- The reporting person was originally granted RSUs by our former parent company on November 1, 2017. These fully vested and were converted into Otis common stock.
